

INVITATION

WEBINAR: WHY TO STUDY IN ASIA?

Provided by Asia Exchange

Dear student,

Have you ever been wondering why more and more students all over the world are heading to Asia for study abroad semesters? Reasons are plentiful of course, but we are ready to share some of the best and most beneficial with you.

You are warmly welcome to join our “Why to study in Asia?” -webinar on Friday, 24th of March at 10.00 am (CET).

We at Asia Exchange help students to reach Asian universities for study abroad semesters in the most convenient and affordable way. It's been our utmost pleasure to promote internationalization, student mobility and studying in Asia for the past 10 years.

More than 4000 students from 50 different countries and 6 continents have taken the chance already, and next we would like to give you the opportunity to go for the adventure of a life-time as well.

Feel warmly welcome to join and let us hear all the questions you may have. You can register for the webinar here: <https://zoom.us/webinar/register/fc7ce1355fe55990dc2040ba88984b7b>

Please note that there is a limited number of seats available at the webinar. In case you miss the opportunity this time, there will be further webinars on the same topic on **April 21st** and **May 19th**. See our events page for more details: <http://www.asiaexchange.org/event/>

With kind regards,

Pekka Pernu
International coordinator

WEBINAR: WHY TO STUDY IN ASIA?

- 3) Information about studying in Asia

"The experience was the best of my life! Every student should experience the same! You are an application away from a paradise world... and you will never regret it!"

Lukasz from Germany, studied in Bangkok, Thailand

"I can honestly say that during the last 5 months I've learned and experienced more than I have in my whole life, and it's been just incredible."

Barbora from Czech Republic, studied in Phuket, Thailand
